THE SCHOOL FUND.

A full exhibit of the present condition of the city school fund, concerning which there have been apprehensions of serious loss if not of a temporary suspension of the same, will be found in our columns. It will be seen that it is much which may be relied upon for the coming year is \$104,869.14, which leaves a surplus of about \$19,000, after paying teacher's salaries and meeting incidental expenses.

THE COLORED PERSON.

On a controversy took place in the Board of Education, on Saturday, on the question whether a colored girl of suitable qualifications, who had studied and passed a thorough examination, in one of the rural schools, should be admitted to the Normal Institute for a High School.

It is difficult to see why such controversy should arise. If colored children ought to be educated in our common schools, colored men and women ought to be qualified to become teachers. If colored children ought not to be educated, why are they then? It is proper to educate them at all. It is proper to teach them to read and write. It is proper to teach them to speak each other. We are gratified that the girl was passed to the High School by a vote of 6 to 2.

WISCONSIN TROOPS.

The 8th and last regiment of disciplined troops from Wisconsin passed through our city last evening en route for Washington. They were tough and stalwart fellows, thirty from the plow, well drilled, well equipped and ready for any kind of a fight. They will be a credit to their state and will be found in another column.

Wisconsin is fortunate in having no garrison to defend, and no border to protect. Every effective soldier in her service has gone forward, and stir better regiments would be difficult to find.

Two companies were immediately ordered to the recruitment camp at Appleton, Wis., July 21, Captain George L. Evans, then, was a body of thirty horsemen, who, after some trouble, were commanded by Lieut.-Col. George L. Evans, of the Chicago company, who had been promoted to the rank of captain. He had a company of 100 men, and marched himself to this city. Lieutenant Evans is in command of his company, and will be sent to the front as soon as he can be spared.

He has been gathered up, and is now

on his way to the front.

The men jumped from their beds early, and were soon in the ranks, ready to march.

They had to proceed for the offices, rations and quarters, and were soon in the ranks, placing the number of rebels at one hundred.

Afterward, marched into camp, some of whom were sent to the front, and the rest to the rear.
